Patents

Patents 1 - 20 on password reset. (0.34 seconds)

[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

Automated password reset

US Pat. 5991882 - Filed Aug 7, 1997 - Electronic Data Systems Corporation

A **password reset** information memory 16, which may be a relational database, ...

The **password reset** information 18, input at interface 12 and stored in ...

System and method for voice recognition password reset

US Pat. 6973575 - Filed Apr 5, 2001 - International Business Machines Corporation

1 is a system diagram showing components involved when requesting a **password reset**, FIG. 2 is a high level flowchart showing the use of voice 10 signatures ...

Password registration device for a bicycle

US Pat. 6737956 - Filed May 10, 1999 - Shimano, Inc.

The fact that a **password reset** procedure has been selected may, ... This **password reset** procedure is a procedure designed to **reset** the reference **password** to ...

Computer-controlled password lock

US Pat. 4812841 - Filed May 26, 1987

A keyboard 30 from which a user can key in the **password**, **reset** the **password** and set the time is coupled to the CPU 10 via a parallel input/output device 20. ...

Computer access control system and method

US Pat. 5060263 - Filed Mar 9, 1988 - Enigma Logic, Inc.

... BACKUP BUTTON 9 SCAN KEYBOARD BUTTONS DOWN 9 **RESET** KEYSKAN TIMER NUMERIC BUTTON ...
... STORE AND DISPLAY NEW **PASSWORD RESET** **PASSWORD** DISPLAY **RESET** **PASSWORD** ...

Security system

US Pat. 4970504 - Filed Dec 19, 1988

A keyboard from which a user can key hi the **password**, **reset** the **password** and set the tune is coupled to the CPU 10 via a parallel input/output device 20. ...

Passive midplane for coupling web server processing cards with a network ...

US Pat. 6325636 - Filed Jul 20, 2000 - RLX Technologies, Inc.

A **password reset** button is provided upon status and operation module 102 and may be used to locally **reset** the administrative **password**. ...

High density web server chassis system and method

US Pat. 6411506 - Filed Jul 20, 2000 - RLX Technologies, Inc.

In other words, **password reset** button 114 may be used to erase the existing administrative **password** such that an operator of network 30 may redefine the ...

Method and apparatus for resetting passwords in a computer system

US Pat. 6871286 - Filed Jul 29, 1999 - Hewlett-Packard Development Company, L.P.

A method for resetting a **password** in a server, comprising: receiving a first

password reset signal from a client computer; generating a local reset ...

System for tracking possessions

US Pat. 6084517 - Filed Aug 12, 1998

The person may enter a **password** 248. If the person enters the correct **password**, the person may **reset** the counter 250 and **reset** the timer 252. ...

Method and system for automating the communication of business information

US Pat. 6341290 - Filed May 28, 1999 - Electronic Data Systems Corporation

122-^ FIG. 12 120 NEW ID OR PASSWORD RESET? RESET PASSWORD USING CONFIGURATION TOOL NOTIFY REQUESTOR OF NEW PASSWORD FIG. ...

Apparatus for and method of preventing changes of computer configuration ...

US Pat. 5535409 - Filed Jun 23, 1994 - Hewlett-Packard Company

If the right **password** is provided, the verifying circuit 40 sends a pulse to the **reset** input R of flip-flop 31 which closes switches 30. ...

Method and apparatus for digitally signing an advertisement area next to a ...

US Pat. 7240037 - Filed Oct 18, 2000 - Stamps.com

45 For the situations where a person initiates a **password reset** via e-mail, ...
A **Password Reset** Activity report can be generated by the system. ...

Apparatus and method for facilitating service management of communications ...

US Pat. 6778651 - Filed Feb 13, 1998 - Southwestern Bell Telephone Company

For 20 Example, if the user forgets his/her **Password**, the requires that administrator use of **Reset Password** (See Below). Note, the File Save/Save As. ...

Programmable cellular telephone and system

US Pat. 5828956 - Filed Jun 7, 1995 - Sony Electronics, Inc.

Since the **RESET password** is accessible only to the network operator, ... Store the scrambled eight digits as the **RESET password** in both the phone's ...

Security system for a stand-alone computer

US Pat. 5402492 - Filed Jun 18, 1993 - AST Research, Inc.

If the **reset** key routine returns a key create passwords, delete admin and user **password**, error flag, then the keyboard controller 120 determines delete user ...

Securing a computer against undesired write operations to or read operations ...

US Pat. 5144660 - Filed Aug 31, 1989

Jo B (* ^ P^ssible- drive D: (cylinders 408 to 815) as a test section of the used to program the unit never to **reset** the **password**. ...

Electronic audio communication system with user controlled message address

US Pat. 4585906 - Filed Sep 29, 1982 - VMX, Inc.

The I/O 1490 also outputs a modulator **reset** signal MOD **RESET** that resets the Delta ... **Password** The next step in the flow chart is to proceed to a function ...

System and method for single sign-on to a plurality of network elements

US Pat. 5944824 - Filed Apr 30, 1997 - MCI Communications Corporation

This capability allows the network security administrator 17 to set the initial user **password** in the NEs 20 and to **reset** a **password** in case a user **password** ...

Computer failure recovery and alert system

US Pat. 5596711 - Filed Jan 26, 1995 - Compaq Computer Corporation

Control then proceeds to step 263, where the FREQUENCY 5 TEST and **RESET**
to a remote terminal is established, and clears a **password** attempt counter. ...
